

Video Contest for High School Students 2022 Application Form

You will need one set of application forms for each video you want to submit. The video can be created by a single eligible student or a team of (up to 6) eligible students.

The application form for one video will consist of

- 1. **The cover form** listing the title of the video and the names and birthdates of everyone on the team (namely, those who will share dollars and/or glory of any prize awarded), and contact info (emails/phones) for at least two members of the team and the names and birthdates of all "bit parts" and "featured extras" whose releases are attached
- 2. **Individual release forms** each team member listed on the cover form must complete the interactive form, print and sign it, and scan it so it can be connected to the cover form.
 - o If they are under 18, a parent must also sign agreement
- 3. Release forms for anyone acting a "bit part" or "featured extra"*
 - o If they are under 18, a parent must also sign agreement for the video to be posted

All parts of the set of application forms for a single video must give the same title for the video and be sent in the same email requesting the Drop-Box link.

Before sending the application, please check that every team member's form is completely filled in and all "bit parts" and "featured extras" have signed releases.

* A bit part has lines or a few scenes but is not a member of the "team" submitting the video
A Featured extra has no lines but may have a name or receive good screen time, e.g., a waiter at the lead's table who doesn't speak.

*Emails and cell phones will be guarded by the selection committee and used only for our League members to reach out to students as needed.
